How to get most out of our wedding gobo templates?

1. Select a design from our templates, which you can download from www.thegobo.com.
2. Provide your names, initials, wedding date or any other relevant information and submit from our [gobo inquiry form](#) or email to sales@thegobo.com
3. We will email you back a mockup of gobo within 24 hours.
4. You can either approve the mockup design or advise of any changes you see fit.
5. You may go to <http://www.thegobo.com/wedding-gobo> to complete your order.
6. Once payment is confirmed, we will produce the gobo and ship it to you.
7. If the design does not work out, you can cancel the order at no cost.

Wedding gobo from your own artwork

You may send us your own design to sales@thegobo.com or upload it from our enquiry form, and we will send you a mockup prior to confirming the order.

Artwork format: AI (preferred), EPS, CDR, PDF, TIFF, JPEG, BMP

Wedding gobo design

If you prefer to design your gobo from scratch, you can utilize our free tool: [Gobo Generator](#)

If you do not have a design but have your own idea for the gobo, we can help you design the gobo as well. Please email or fax us the idea or draft design, we will then translate it into a design mockup for your approval (extra fee applies).

Making sure you have all elements for the gobo lighting

In order to project the gobo image, you will need a gobo projector. Typically your wedding DJ or your venue would provide this equipment, please note down the projector model and/or gobo size and send it to us when placing your order. Alternatively, you can also purchase or rent a gobo projector from us.
